New Delhi.

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

GRAM PRICES.

The Government of India have decided that, with effect from 30th March 1951, the existing ceiling price of Bengalgram is reduced by Rupee one per maund. Accordingly, the maximum price of Rs, 16 per railway maund at which Bengalgram may be bought or sold, fixed for Mysore during August 1950, has now been reduced to Rs. 15 per railway maund with effect from 30th March 1951, *viz.*, Rs. 40-0-10 per palla of 100 seers or Re. 0-6-5 per seer by Mysore measure.

(P. N. No. 22—2-5-1951).

Press Note.

As a measure of relief to the atchkatdars who have suffered on account of the failure of wet crops under 511 tanks in Mulbagal Taluk owing to scanty rains during 1950-51, seasonal remission of half-wet assessment is sanctioned in respect of lands under the tanks for the year 1950-51.

The aggregate amount to be remitted is Rs. 25,818-3-3.

(P. N. No. 23—2-5-1951).

Press Note.

Recruitment to certain posts under the World Health Organisation.

The World Health Organisation Regional Officer for South East Asia, Patiala House, New Delhi, has announced the need during the coming months, for additions to its staff in the following types of appointments :—

(1) Medical Officer in the Headquarters of the World Health Organisation.
(2) Regional Adviser on Organisation of Health Services ;
(3) Country Adviser on Organisation of Health Services ;
(4) Chief Adviser of a unit or a team to be despatched to a country.

The nature of the work to be accomplished by these posts calls for a high public health qualification with adequate field experience. Doctors with post graduate public health training and with at least six years of experience in Local or National Health Services or in a combination of public health, medical care, hospital administration and any other specialised health service will be required for filling these positions. The principal duties of the officers would be to render advisory service to Governments in the field of general public health, medicalcare, organisation of health services etc., and to co-ordinate the diverse types of services rendered by the World Health Organization.

Applicants should have a broad vision on public health and its effect in economic development and the leadership in giving inspiration to the professional groups in public
